Re: MUR 4821

Dear Mr. Turley:

Enclosed herewith please find the Statement of Designation of Counsel designating the undersigned as counsel in the above-referenced matter.

Please be advised that any contributions made by my client were done so as a concerned citizen desiring to support the member of Congress who he feels is serving his constituents well. The contributions were totally arms-length and without any intent on my client's part to violate any laws.

To the best of my client's recollection, the funds were contributed over a course of time to support the candidate's primary efforts, if any, as well as his general election aspirations.

Should you have any further need to contact me in this regard, feel free at your convenience.

Sincerely,

Robert Fensterman
